McNichols Civic Center Building

Banner Policy

Denver Arts and Venues allows event organizers to temporarily replace the four existing building banners to promote their upcoming event at the McNichols Building. Please follow the procedure listed below.

1. Contact Tim Taylor to reserve banner space at tim.taylor3@denvergov.org or (303) 906-1396.

2. Contact Chuck Reyka at (720) 231-2689 or denversales@speedpro.com for pricing and to schedule installation. For quality control purposes, banner printing, installation, and removal must be provided by Speedpro Imaging. A special building rate will be applied.

Banner Technical Specifications:
Overall size: 36” wide x 300” tall
Material: Mesh Vinyl (single-sided or double-sided)

3. Event banners must be removed within 48 hours following the conclusion of your event. The building security deposit will be returned after the banners have been removed and venue banners reinstalled. If this does not occur within the alloted timeframe, your deposit will be retained and used to pay for these services.

We appreciate your business!
